

Leading The Future Of Heating & Climate Systems

Bringing world-class heating, cooling, and energy-efficient systems together under one trusted network.

Explore Products

Built For Where You’re Heating

From a single-family home to a full industrial site — every category, grouped the way you actually shop.

Residential

Heat pumps, gas boilers, hybrid systems, water heaters, solar thermal and ventilation for the home.

Explore Systems->

Light Commercial

Mid-size gas and oil boilers, biomass systems and commercial-grade water heating for small-to-mid buildings.

Explore Systems->

Commercial

Large heat pumps, CHP/cogeneration units and mid-to-large gas, oil and biomass boilers for commercial buildings.

Explore Systems->

Industrial

High-pressure steam boilers and large-scale hot-water systems for industrial and process-heating applications.

Explore Systems->

10
YEAR
WARRANTY

Kazakhstan's strongest warranty.

We don't just claim quality — we guarantee it. While others stop at three or four years, AHI Carrier offers an industry-leading 10-year warranty, protecting your investment against everything Kazakhstan's climate can throw at it — from Almaty's sharp winters to Astana's extreme continental swings.

10 years parts & labour

Full coverage on parts and labour costs — no hidden limitations or fine print.

KZ-certified service network

Licensed, certified technicians across Almaty, Astana, Shymkent and beyond.

Continental climate tested

Systems validated against Kazakhstan's extreme winter cold, summer heat and dry, dust-heavy conditions.

Dedicated KZ warranty support

Talk to a real person in Kazakh or Russian — our local warranty team, not an overseas call centre.

Tailored Ranges For Every Environment

Same engineering standard throughout — explore how the 131-product catalogue is organized for the way each environment actually buys and installs.
